

User Agreement

Effective date: 2021-12-9

This user agreement is an effective contract between this software and all users who use our products and services for the use of products and services and related services. Once the user uses our products, it means that they accept the constraints of the terms of the agreement.

1. Instructions for use

- Please note that any files, recordings, or other materials uploaded and shared through this service, whether publicly or privately transmitted, are the responsibility of the provider and user for their uploading and use of them. When using our products, users agree to make their own judgment and bear all risks.

- If the user's behavior of using our products does not comply with this agreement, we will have the right to terminate the provision of some or all of the services to the user without notifying the user in advance after making a judgment.

2. Ownership

We reserve the complete and indivisible ownership and intellectual property rights of the following content and information:

- Our products and services and all their elements, including but not limited to all content, data, technology, software, code, user interface and any derivative works related to them;

- User information;

- Any information and feedback related to services provided by users to our products.

Without our permission, the above materials shall not be released through any channels at will. All rights of our products belong to the copyright owner of the software. Without the permission of the copyright owner of the software, the user shall not reverse engineer, decompile or disassemble the software, or discover its original code in other ways, and implement any Suspected of infringing copyright.

3. user guarantee

The user guarantees that the service or software shall not be abused, such as:

- Copy, modify, host, re-license or transfer services or software;

- Support or allow others to use your account information to use services or software;

- Use software to build any type of database;

- Access or try to access the service or software through any means other than the interface provided or authorized by us;

- Avoid any established access or use restrictions for the organization's specific services or software purposes;

- Sharing content or infringing anyone's intellectual property rights;

- Try to disable, damage or destroy services and software;

- Upload, transmit, store or provide any content or code that contains any virus,

malicious code, malicious software, or any component designed to damage or limit the function of the service or software;

- Destroy, interfere with or organize any other users to use the service or software;
- Participate in the transmission of spam, pyramid schemes, phishing or other unsolicited emails;
- Place advertisements for any other products or services in our services without obtaining our written permission in advance;
- Use any data mining or similar data collection and extraction methods for the service.

4. Information and privacy protection

● We fully respect the protection of user information. The "Privacy Policy" lists the relevant policies and procedures that our products and services should follow to collect and use user information, as well as the content types and purposes of collecting and using user information.

● Information to be shared. Users can actively set up sharing information with others.

● Any data information (including but not limited to account information, usage records and other data information) generated by the user during the use of the product and stored in the product client or server is derived from the relevant program during the operation process . We have the right to use the above-mentioned data information stored in the server.

● Protecting user privacy is one of our basic principles. We will protect the user's personal identification information, personal online communication content, and other private information that can directly identify the user's personal identity. The data and information described in this agreement, that is, the data and information generated during the user's use of the software, do not belong to the private information referred to in this agreement. During the user's use of this service, we may collect some personal information of the user. Without the user's consent, we will not disclose the user's personal information to any company, organization, or individual other than Lingfei and its affiliates, but in the following circumstances except:

- (1) We have obtained your explicit authorization;
- (2) To improve the quality of products and services;
- (3) According to relevant laws and regulations, we are obligated to disclose;
- (4) Judicial or administrative agencies require us to provide them based on legal procedures;
- (5) Disclosure within a reasonable range in order to safeguard the public interest of the society and our legitimate rights and interests.
- (6) As otherwise provided by laws and regulations.

5. Disclaimer

● Unless otherwise specified in the additional terms, services and software are provided "as is". To the maximum extent permitted by law, we do not make any express or implied guarantees, including implied guarantees for non-infringement or for specific purposes. We make no promises for any content in the service. We also do not make any guarantees for the following matters:

(1) The service or software meets your requirements or will be continuously provided, uninterrupted, safe and timely, or error-free;

(2) The results obtained from the use of services or software are valid, accurate or reliable;

(3) The quality of the service or software meets your expectations;

(4) Any errors or defects in the service or software will be corrected.

- We provide services to users in accordance with the status quo that can be achieved by existing technologies and conditions, and do our best to ensure the security and stability of the services.

- In order to provide users with high-quality services, we have the right to change, change, delete, or add services without the user's consent, and we may also suspend or completely terminate this service without assuming any legal responsibility.

- We hereby disclaim any liability for any litigation caused by the user's use of any service or software. The use and access of the service or software is determined by the user and at his own risk. The user will bear all responsibility for the damage to the user's equipment system or data loss caused by the use and access of any service or software.

6. Termination of service

- We have the right to temporarily or permanently terminate all or part of the services of this website at any time and for any reason without prior notice. We do not have to bear any responsibility for the user and any third party for the termination of platform services.

7. Other

- This agreement will take effect as soon as it is announced. We have the right to modify the content of the agreement at any time, and the results of the modification will be notified in the form of pop-up windows. If you do not agree to the changes we made to the relevant terms of this agreement, the user has the right to stop using the service. If the user continues to use the network service, it is deemed that the user accepts the amendments we made to the relevant terms of this agreement.

- The conclusion, execution, interpretation and dispute resolution of this agreement shall be governed by Chinese law and be subject to the jurisdiction of Chinese courts. If there is any dispute between the two parties regarding the content of this agreement or its implementation, the two parties shall try their best to resolve it through friendly negotiation; if the negotiation fails, either party may bring a lawsuit to the people's court where we are located.

- This agreement constitutes a complete agreement between the parties on the agreed matters and other related matters of this agreement. Except for the provisions of this agreement, no other rights are granted to the parties to this agreement.

- If any clause in this agreement is completely or partially invalid or not enforceable for any reason, the remaining clauses in this agreement shall still be valid and binding.
